

DISCOVERER'S ROOM (Ages up to 1 ½)

The discoverer children have been spending this month learning all about animals! We have been playing background music with jungle animals each day, and the children are loving being able to identify animals that they can hear! We also have our animals out in the room to help the children begin to name them, or name their sounds! ROAR!

EXPLORER'S ROOM (Ages 1 ½ to 3)

The Explorer children have discovered a love of all things vehicle this month! We are beginning to connect with the community as we look outside our fences at all of the different vehicles going past! With this we are also recognising their colours, numbers and shapes of the different things that we spot!

INVENTOR'S ROOM (Ages 3 to 5)

The inventor children have rediscovered their love for insects this month! They have been given silk worms to look after, and are enthralled with the amount they are eating! We can't wait to see them create their cocoons, and then turn into moths!

UPCOMING EVENTS

14th October

LOUD SHIRT DAY

Wear your loudest shirt today, in recognition of children with hearing loss!

21st October

DIWALI

Let's celebrate the Indian festival of lights by exploring some lights activities and Indian culture.

MONTHLY RECAP

- Educator Appreciation Day was fantastic! Thanks again to all our educators for everything they do.
- We hope our Fathers enjoyed their gifts that the children and educators worked hard on!

OUR TEAM

We would like to welcome Harsi to our SNS team! Harsi has finished her Cert 3, and this is her first job at a childcare centre! We are so excited to get to know Harsi, and begin to train her in the ways of SNS!

STAFF HIGHLIGHT

Kuenga has been with SNS Childcare for over 2 years. Her warm, calming presence is so welcome in all of the rooms! All the children love sitting and having a cuddle and reading a story with Kuenga.

FROM KARL & ANDREW

We are excited to announce that after a lot of work and planning, SNS Childcare took on the feedback from families, and we have had the air conditioning replaced. This is great news, and it came just in time for the warmer weather!

We are also looking forward to Christmas, and planning our various events that will be happening around the centre! Keep an eye out for those!
