

DISCOVERER'S ROOM (Ages up to 1 ½)

Our babies enjoyed a foil-painting sensory activity this week. Using crinkly aluminium foil as their canvas, the children explored new textures and bright colours while developing their fine motor skills and curiosity. A simple, engaging experience they absolutely loved!

EXPLORER'S ROOM (Ages 1 ½ to 3)

In the Explorers Room, the children had a fantastic time engaging with a construction-themed sensory tray. Filled with materials like sand, grass and mini construction vehicles; the tray encouraged imaginative play, problem-solving and hands-on exploration. The children loved digging, scooping and building as they discovered new textures and ideas.

INVENTOR'S ROOM (Ages 3 to 5)

Our Kindy children celebrated Valentine's Day by creating adorable 'love bugs.' Using colourful craft materials and lots of creativity, they designed unique little creatures to share with friends and family. A sweet activity filled with creativity, giggles and plenty of love.

UPCOMING DATES AND EVENTS

4th March

HOLI

Join us as we celebrate the Hindu festival of colours!

17th March

ST PATRICK'S Day

Put your dancing shoes on and get ready for some Irish dancing as we celebrate this day!

21st March

HARMONY DAY

Join us as we celebrate the diverse backgrounds of the children and our staff.

STAFF HIGHLIGHT

Feno is our talented cook who ensures the children get delicious and nutritious meals everyday. We want to acknowledge her this month for her hard work and dedication, especially after passing our annual food safety audit!

AROUND THE CENTER

This month consisted of Valentine's activities across the centre, with each room joining in to spread kindness and creativity. We also celebrated National Hug Day, encouraging warm connections and gentle moments of care. It was a lovely month focused on sharing love and positivity throughout the centre.

OUR TEAM

We headed to East Victoria Park Shopping Centre and hosted a pop-up stall! It was a wonderful opportunity to promote our centre, connect with local families and chat with parents who are curious about the childcare process. We enjoyed sharing information about our programs, answering questions and giving the community a warm introduction to what we offer.

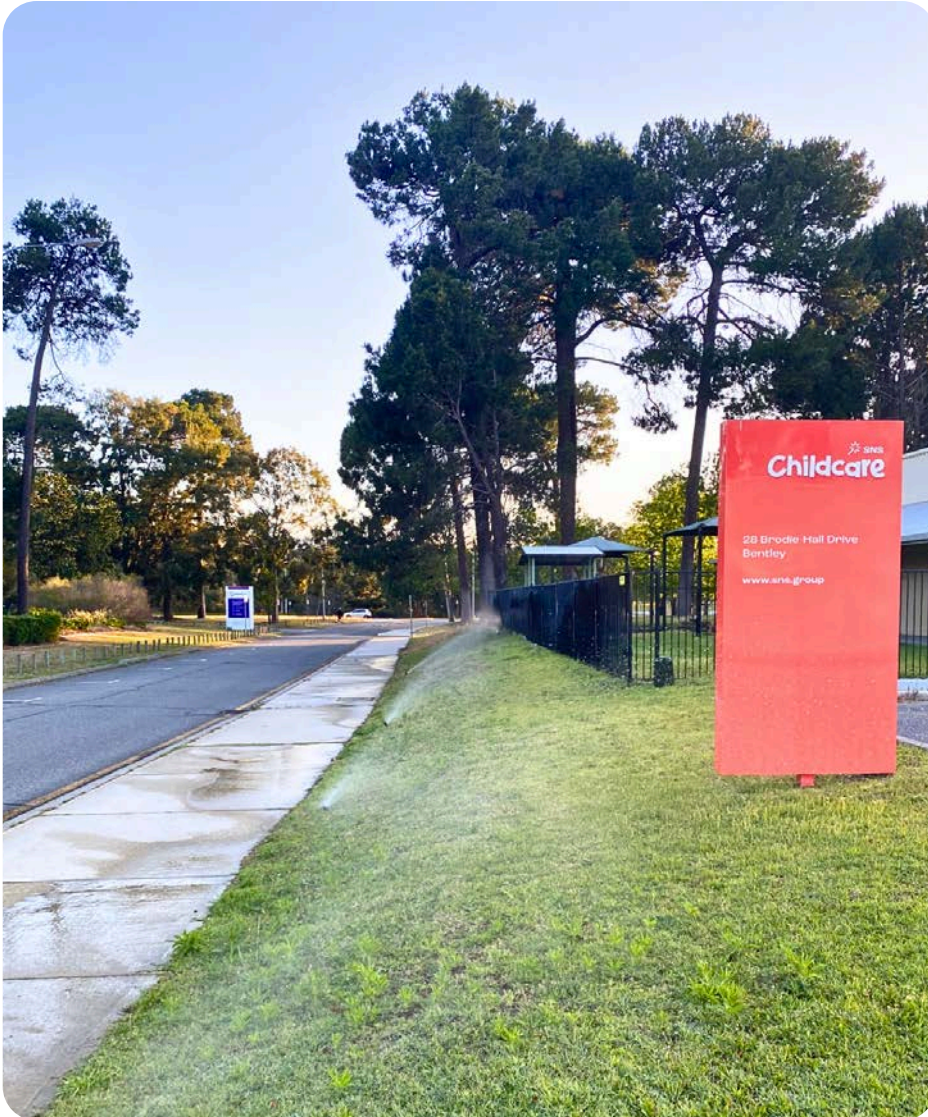

NOTE TO PARENTS

We are excited to share that our centre is currently undergoing a wonderful revamp! Over the coming weeks, we'll be refreshing our rooms, updating our indoor play areas and giving our garden a beautiful makeover.

These improvements will help us create even more engaging, inspiring, and nurturing spaces for the children to explore, learn, and grow.
