I'M STAYING!

Some 6 months ago I approached Karl and Andrew to see if they would consider sponsoring me to stay in Australia. They quickly agreed to support me through what has been quite a detailed process. I'm now incredibly excited and grateful to share with you that my visa sponsorship has now been approved! This is such a special and meaningful milestone for me and my partner Tom . A huge thank you to Karl and Andrew for taking that leap of faith and for their ongoing support throughout—it truly means so much.

I feel so lucky to be continuing my journey here in Australia and with SNS Childcare and working alongside our wonderful team and building strong relationships with our children and families each day. With all the recent improvements around the Centre from the new air conditioning system and ceiling renovations to our beautiful garden it really feels like we're stepping into an exciting new chapter of fun, learning, and exploration. I'm also looking forward to continuing work on our ceiling decorations and being part of the Centre's growth over the coming years.

I'm so happy to be staying and to continue working with all you lovely families!

Thank you – Miss D

UPCOMING DATES AND EVENTS

7th May

MOTHERS DAY BREKKIE

A relaxed morning brekkie celebrating our mums and special women together.

18th May

NATIONAL ROAD SAFETY WEEK

Simple activities promoting road safety awareness.

25th May

RECONCILIATION WEEK

Exploring respect for Aboriginal and Torres Strait Islander cultures.

STAFF HIGHLIGHT

This month we want to recognise Kuenga! With the patience of a saint and the biggest heart, Kuenga plays a vital role in our centre. her care, dedication and positive presence makes a meaningful difference each day. Kuenga is currently undergoing her Masters in Education and we are so proud to see her growth!

AROUND THE CENTER

We've recently added some new umbrellas to the toddler room as a decorative feature, helping to create a bright and inviting space for our little ones. The addition brings a fun and playful feel to the room, enhancing the environment and sparking children's curiosity and imagination.

NOTE TO PARENTS

Our mother's day brekkie is happening on the 7th of May! To celebrate all the wonderful mums and female caregivers in the children's life, we'd love for you to join us for smoothies, fruit and some baked goods. Please drop off your little one ten minutes earlier to enjoy!

BABIES ROOM

The babies room has been exploring and building their skills through play with soft blocks! Climbing, balancing and moving across them supports their gross motor development while also building confidence and coordination.

TODDLER'S ROOM

The toddlers have been busy scooping and feeding their "animals," enjoying imaginative play and bringing their little world to life through hands-on exploration.
