

DISCOVERER'S ROOM (Ages up to 1 ½)

The Discoverer children have been learning all about trajectory over the past month. Think throwing beanbags, driving cars, rolling balls and swatting at balloons. The children have had a blast as they begin to learn how different parts of our world works.

EXPLORER'S ROOM (Ages 1 ½ to 3)

The Explorer children absolutely loved Halloween last month, delving deep with Dionne, Reshma, and Sonam into all things spooky! They used many of their well-loved creative skills in the different artworks that were made, and everyone loved dressing up in lots of costumes! We hope you had a fantastic Halloween if you celebrate it!

INVENTOR'S ROOM (Ages 3 to 5)

The inventor children have been working hard with their school readiness this month, as many of them get closer to formal schooling. Tayla and Harsi are focusing on self help skills, confidence, social skills and fine motor control. We will miss our friends who are off to pre-primary next year!

UPCOMING EVENTS

11th December

SNS CHILDCARE CHRISTMAS PARTY

Join us to celebrate the end of the year. With food, games, activities and a visit from Santa, it's sure to be a hit!

15th - 19th December

LUNCH BOX WEEK

Inventor's children are encouraged to bring lunchboxes this week to encourage school readiness.

A NOTE FROM GEMMA

If you need to reach me in the office for any reason, please call or email. My office hours are now as follows.

Monday + Wednesday - 9am - 5pm

Tuesday + Thursday - 7am - 3pm

Friday - via email only

OUR TEAM

Feno and Gemma have been working tirelessly on new Spring/Summer menus, which have now been rolled out! We love being able to offer tasty, nutritious, and healthy options to the children. Delicious!

STAFF HIGHLIGHT

Sonam has been with SNS for over 3 years now, starting as a cleaner for the company, and working his way through his Diploma! Amazing! We love Sonam's calming nature and engaging personality!

FROM KARL & ANDREW

You might notice that the garden in the Inventor's yard looks a little different. We are hard at work on creating a new, fantastic garden space for everyone to enjoy.

We are heading into Bentley Plaza on the 6th of December to hold a stall! If you're in the area, swing past to say hello to Gemma and some of the team! We'll have insects, balloons and activities for the children!
