BABIES ROOM

This month the babies explored a sensory tray featuring all natural materials. From soft moss textures to wooden pieces and natural pathways, the babies were engaging their sense through touch.

TODDLER'S ROOM

The toddlers celebrated Oral Hygiene Day by learning about the importance of brushing their teeth. They had lots of fun pretending to be dentists, using role-play to practice caring for their smiles! It was lovely to see their confidence grow as they learned healthy habits.

KINDY ROOM

For road safety week, the kindy's engaged in a variety of activities learning about different road rules and when to safely cross a road! They had so much fun dressing up and pretending to be traffic controllers!

AROUND THE CENTER

Our Mother's Day Brekkie on the 7th of May was a huge success! We would like to say a big thank you to all of our wonderful families who attended and helped make the morning so special. The children absolutely loved celebrating the important female caregivers in their lives !

OUR TEAM

We are so excited to announce that our amazing cook Fenó is pregnant! Fenó will still be cooking up amazing meals for all the children until she departs for maternity leave. We are estactic for Fenó and cannot wait to meet the little one. Congratulations Fenó!

You may have also notice some of our children have begun transitioning from the Toddler Room into Kindy, we would like to acknowledge this exciting milestone. Our educators work closely with each child to ensure the transition is smooth and positive. Finally, don't forget to follow our social media pages to stay up to date with centre events and special moments around the centre that we don't always place in here!
