MONTHLY NEWSLETTER

Elijah, age 3

Zahra, age 4

Hello families,

What a wonderful month June has been at our centre! The children have continued to grow in confidence, build beautiful friendships, and showcase their creativity through play, learning, and exploration.

We're delighted to share some of our favourite moments and highlights with you.

Dionne
Centre Leader

The **Babies Room** participated in a Friendship Recipe activity, exploring colours and textures through scooping, pouring, and sharing materials. This activity supported their curiosity, fine motor development, and social connections.

The **Toddler Room** marched through the garden chanting "We're going on a bear hunt!" as they explored different materials and retold the story. This sensory adventure supported language development, imagination, cooperation, and social skills.

The **Kindy Room** explored Construction Creations, designing pictures while investigating shapes, colours, and patterns. Through imaginative play, they built fine motor skills, coordination, creativity, and problem-solving.

Centre Updates

SNS Childcare at the Swan Event

We had such a lovely time at Welcoming the Babies of Swan last June 19. It was a real privilege to meet so many new families and chat with parents about what we can offer, and what makes our centre a little different.

To help represent SNS Childcare in a meaningful way, we involved the children in the creative process. What started as playful doodles became the inspiration for our childcare centre flyer. This is a beautiful reminder that creativity, joy, and imagination are at the heart of everything we do.

'Nappy Goo' is Good!

We're pleased to continue offering Nappy Goo following a successful trial, with positive feedback from families, educators, and children.

Recommended by our CEO, Karl, it supports children's comfort and wellbeing as part of our commitment to quality.

Important Dates

Here are the important events and activities to remember in July:

July 6-10

Naidoc Week

It's a special time in our center where children learn about and celebrate the cultures, histories, and contributions of Aboriginal and Torres Strait Islander people through meaningful experiences, stories, art, music, and community connections.

July 7

Teddy Bear Picnic

Weather permitting, we will enjoy a special afternoon tea picnic outdoors, where children can share some yummy food with their friends and teddy companions.

July 21

National Pyjama Day

We invite children to come dressed in their favorite PJs for a fun and cozy Pyjama Day! If preferred, families are welcome to pack pyjamas in their child's bag for them to change later at the center.

Stay Connected with Us!
