It’s Harvest Time

One of the most exciting moments in Kindy this month was harvesting the peas from our garden! The children were thrilled to pick the very peas they had planted, watered, and cared for over the past few months. There were plenty of smiles as they discovered just how much their hard work had helped the plants grow. It was a wonderful hands-on learning experience, giving the children the chance to see the journey from seed to harvest, learn where food comes from, and celebrate the rewards of patience, teamwork, and looking after our garden together. What a special harvest day!

BENTLEY BUZZ

MONTHLY NEWSLETTER

Little explorers in the **Babies Room** were on the move this month, crawling, climbing and discovering our newly set-up obstacle course! Through active play, they built confidence, strength, balance and coordination while exploring new ways to move and engage with their environment in a safe and supportive setting.

Water play was a favourite in the **Toddler Room** this month, with plenty of splashing, scooping, pouring and hands-on discovery! Through these fun experiences, the children developed fine motor skills, problem-solving abilities and an understanding of cause and effect while learning alongside their friends.

A highlight in the **Kindy Room** this month was watching Fardowsa make delicious banana and chocolate chip muffins! The children enjoyed learning about healthy cooking before sharing the freshly baked treats together at afternoon tea.

Hello families,
October has been a busy and exciting month at SNS as we welcome the warmer weather and continue to grow as a center. The children have loved spending time outdoors, and our Kindy gardeners were especially proud to harvest the peas they've been growing!

It's been lovely seeing our children, team and center continue to grow together. Here's what happened this month.

Centre Updates

Our Diverse and Wonderful Community

Last October, we celebrated Children's Week 2026, a wonderful opportunity to recognise and celebrate the rights, voices and wellbeing of every child.

Inspired by Article 30, the children enjoyed a range of meaningful experiences that encouraged them to share and explore their cultures, languages and traditions, helping us celebrate the rich diversity that makes our centre community so special.

Staff Highlight

Celebrating Dionne's Leadership 💛

We'd like to recognise Dionne for her dedication and hard work in supporting our team, children and families.

As Centre Manager, she consistently goes above and beyond to create a warm, welcoming environment and is always finding ways to strengthen our centre and support those around her. Her commitment, leadership and positive spirit are truly appreciated by all.

Important Dates

November 2nd-6th
Physical Literacy Week
We're looking forward to celebrating Physical Literacy Week, where children will enjoy fun, active experiences designed to build confidence, coordination and a lifelong love of movement.

November 16th-20th
Skin Cancer Action Week
On 17 November, we'll be celebrating SunSmart Day with fun activities that help children learn the importance of staying safe in the sun. Families can also access helpful sun protection resources and see our new SunSmart membership sign!
