Hello families,
What a wonderful month of learning, laughter and adventure we had in August. The children enjoyed a variety of exciting experiences, from sensory and pretend play to celebrating Book Week and exploring new ideas together.

We loved watching the children learn, grow and make special memories with their friends and educators!

The **Babies Room** enjoyed exploring a sea-themed sensory tray filled with shaving foam, shells, cornflakes, and sea animals. The children loved discovering different textures, colours, and shapes while touching, squeezing, and exploring the materials.

The **Toddlers Room** had a wonderful time celebrating Book Week by dressing up as their favourite storybook characters and taking part in book-themed activities. They created their own Hungry Caterpillars and explored a Goldilocks and the Three Bears sensory tray. The children had lots of fun fostering a love of books and storytelling..

The **Kindy Room** enjoyed a fun farm-themed pretend play experience, taking on the role of farmers as they fed the horses, milked the cows, and used shaving cream to pretend to shear the sheep. Through imaginative play, the children explored farm life, animals, and the important work farmers do.

Centre Updates

Celebrating a love of books, learning, and creativity

One of the highlights this month was celebrating Book Week across the centre. Our educators embraced the fun by dressing up as beloved storybook characters, creating excitement and bringing favourite stories to life for the children. The celebration encouraged a love of reading, imagination, and storytelling while creating many memorable moments for children, families, and educators alike.

All the Best, Feno!

Feno will be commencing her maternity leave from 31 August. While we will miss her positive presence and valuable contributions, we are so excited for her as she begins this special new chapter with her growing family. We thank Feno for all that she does and wish her all the very best during her maternity leave. We look forward to welcoming her back in the future.

Important Dates

10th September

Early Childhood Educators Day

This is the day we celebrate our educators, recognising the care, dedication and passion they bring every day as they nurture, inspire and support the children in our learning community.

6th September

Father's Day

It's a wonderful opportunity to celebrate the dads, grandads and special father figures in our children's lives. Across the centre, the children will enjoy creating thoughtful crafts, cards and gifts as a way of showing their love, appreciation and gratitude for these important people.

23th September

International Day of Sign Languages

We'll celebrate the International Day of Sign Languages by learning simple signs and exploring the importance of inclusive communication, helping children appreciate different ways people connect and express themselves.

Staff Highlight

This month, we are proud to spotlight Reshma, whose caring and dedicated approach makes a positive impact on both the children and our team.

Reshma consistently goes above and beyond, bringing warmth, positivity, and enthusiasm to each day while creating meaningful and engaging learning experiences that help children thrive.

A SPECIAL SECTION

Friends Across Generations

Once a month, our centre welcomes some very special visitors from **Juniper Aged Care**.

Together, children and residents share stories, enjoy activities, make art, sing songs, and spend time getting to know one another. While they may come from different generations, they quickly discover they have many things in common: kindness, curiosity, laughter, and a love of friendship.

Our Intergenerational Programme began on 20 July 2026 and helps children learn about respect, empathy, and community while giving our senior visitors the opportunity to connect, share experiences, and create happy memories.

At **SNS Childcare Centre**, we're proud to be building a community where everyone belongs, no matter their age.
